

MEDIA RELEASE

For Immediate Release

MEDIAEDGE CHOSEN AS NEW CONSTRUCTION ECONOMIST JOURNAL PUBLISHER

Markham, ON, December 8, 2022 – The Canadian Institute of Quantity Surveyors has partnered with [MediaEdge Publishing Inc.](#) to assist in the layout and publication of the Construction Economist Journal, starting with the Spring 2023 issue.

The first issue of Construction Economist was produced in the spring of 2009 and has grown to become the official journal for Canada's quantity surveyor professionals with a distribution of over 2,500 members and stakeholders across Canada and abroad. It provides up-to-date information about the Institute, technical articles, leadership profiles and details about past and upcoming industry events.

Articles are written by industry professionals for industry professionals. Their expertise includes everything from legal matters to project costing and procurement. Past technical articles have focused on a variety of subject matters, such as prompt payment, dispute resolution, mega projects, Canadian construction industry projections and growth indicators, and much more. Our leadership profiles have been in-depth pieces with industry experts such as Faizal Kazi, President & CEO of Siemens Canada; Wissam Ayoub, Senior Vice-President MENA at EllisDon; and Mary Van Buren, President at the Canadian Construction Association.

The journal is published quarterly, and printed copies are distributed free to all CIQS members. Digital copies are available on the [CIQS website](#).

About the Canadian Institute of Quantity Surveyors (CIQS)

The voice for the construction economists in Canada

CIQS was founded in 1959 and is the voice for Canada's construction economists. It is a self-regulatory, professional body and the gatekeeper of the ethics and standards of construction and infrastructure economics in Canada. It currently represents over 2,000 national and industry professionals and works on their behalf to promote the profession to the construction industry, its allied professions and government officials. The Institute has developed reciprocal agreements with a variety of industry organizations on the domestic and international stage.

CIQS owns and managed two professional designations, Professional Quantity Surveyor (PQS) and Construction Estimator Certified (CEC), which can only be used by qualified, certified members of the Institute.
